

Sample letter to NPS Director Mary Bomar

mary_bomar@nps.gov

Dear Ms. Bomar:

I am writing to express my opposition to the Georgetown University boathouse proposed for the C&O Canal National Historical Park, and request you to do the following:

1. Preserve the C&O Canal National Historical Park for public use, not develop it for private facilities.
2. Build private boathouses outside of the C&O Canal National Historical Park.
3. Prepare an Environmental Impact Statement (EIS) on the boathouse proposal that considers alternative sites outside of the national park.

Thank you very much.

Sincerely,

(Your name, address, telephone number)
